Mind- and reality-bending drugs factor again and again in Philip K. Dick's hugely influential SF stories. A Scanner Darkly cuts closest to the bone, drawing on Dick's own experience with illicit chemicals and on his many friends who died from drug abuse. Nevertheless, it's blackly farcical, full of comic-surreal conversations between people whose synapses are partly fried, sudden flights of paranoid logic, and bad trips like the one whose victim spends a subjective eternity having all his ...

A Scanner Darkly book by Philip K. Dick

The story itself felt somewhat disjointed, so I actually watched the 2006 movie with the same name - A Scanner Darkly to fill in the gaps & give me the full grasps of the story, still in the end it leaves you feel like it is a collection of vignettes that the author PKD experienced himself when going through the drug abuse & recovery period of his life, so I would say this book has less sci-fi elements and it is more about life experiences and stories from the dark side of the society.

I just finished reading "A Scanner Darkly" by Philip K. Dick and for some reason I am a little confused to the actual ending. Warning Spoilers Below! It is clear that Bob Arctor is completely fried at the end and the brain damage is very likely irreversible. He is sent to the farm run by New Path that is growing the blue-flowered plants that are used to derive Substance D as a zombie, living in body but dead in spirit.
