Mathematical Techniques: An Introduction for the ...

This is the first draft of the Lecture Notes for Mathematical Techniques III (PHY 317), a course offered in the Physics Department of Queen Mary and Westfield College (University of London). These notes are loosely based on pre-existing notes by Professor John Charap. The notes contain all that is said in Lecture and sometimes more.

Mathematical Techniques III

Mathematical Techniques provides a complete course in mathematics, covering all the essential topics with which a physical sciences or engineering student should be familiar.
