Social Reproduction The Political Economy

Book Description This book focuses on the relationship between the process of producing commodities and the process of social reproduction of the labouring population, and seeks to restore that problematic relationship to the central place it had in the analysis of Smith, Ricardo, and Marx.

Social Reproduction: The Political Economy of the Labour ...
An important characteristic of labor that distinguishes it from capital is that it bears the costs of its own sustenance, the extent to which it does so varying with different institutional arrangements. Economic theory has generally overlooked this, one consequence being that it has neglected...

Social Reproduction: The Political Economy of the Labour ...
Whilst most approaches theorize global political economy from the perspectives of power and production or states and markets, this work argues that what feminists call social reproduction is a more basic framework, upon which most forms of power and production, and states and markets, must necessarily rest.

Power, Production and Social Reproduction: Human In ...
Feminist political economy has mobilized the concept of social reproduction as a way of insisting that the activities involved in establishing and maintaining households and families are central social and economic processes.

Social Reproduction: Feminist Political Economy Challenges ...
Social reproduction refers to the capacities of populations to reproduce themselves and through this to reproduce the material basis of the economy (Bezanson and Luxton 2006; Federici 2012).

Social Reproduction: Feminist Political Economy Challenges ...
Ironically, in its inability to exploit and overcome its current crisis of reproduction, capital is turning social reproduction itself into a new commodity and political frontier, to find new sources of profit and electoral consensus.

A crisis like no other: social reproduction and the ...
Ironically, in its inability to exploit and overcome its current crisis of reproduction, capital is turning social reproduction itself into a new commodity and political frontier, to find new sources of profit and electoral consensus.
MR Online | A crisis like no other: social reproduction ...
Yet, neither constitutional equal protection nor statutory employment discrimination law acknowledges that the separate spheres tradition formed the infrastructure of social reproduction in our political economy. Mothers at homeraised the next generation of citizens-workers without pay or rights.

Social Reproduction « Law and Political Economy
Social reproduction describes the reproduction of social structures and systems, mainly on the basis of particular preconditions in demographics, education and inheritance of material property or legal titles (as earlier with aristocracy). Reproduction is understood as the maintenance and continuation of existing social relations.

Social reproduction - Wikipedia
Social reproduction is a big idea. And like all big ideas, it appears in many guises, refashioned time and again to fit specific problems arising in distinct fields of research. We see social reproduction theories cropping up, for instance, within Education, Psychology, Sociology and Political Economy.

'Social Reproduction Theory: What's the Big Idea?' by ...
Zo Randriamaro. The political economy of care centres on the unpaid work of African women in socially reproducing workers as well as caring for the sick in society. Social mobilization and policy actions to overcome the crisis of reproduction is necessary to address this unpaid work that is vital for the perpetuation of neoliberal capitalism. The concept of social reproduction – that is the process that makes it possible for individuals, families, and society itself to continue ...

The hidden crisis: Women, social reproduction and the ...
Poland’s ‘unusual space in wider political economy’ (p. 658) presents important insights into variegated social reproduction, sharing features with both the global South (its transition to neoliberalism through a set of rapid policy interventions) and the global North (its high levels of development) while remaining different from both, with historical and social sedimentations rooted in its past as a part of the former Communist bloc.

Re-thinking Social Reproduction: Crises, Contradictions ...
Social reproduction theory, in its many iterations, whether called so consciously or not, is about that relationship. Lise Vogel, in her now classic 1983 Marxism and the Oppression of Women, was the first to pick out the key move effected by Benston in establishing this relationship—giving domestic labor, and thereby the family, a theoretical status.

Monthly Review | Liberating Women from “Political Economy”
Michael Burawoy (1979), for example, pointed out that an important dimension of the political economy of migrant labour is that the social reproduction of families and communities takes place...

Whose Social Reproduction? Transnational Motherhood and ...
This article discusses social reproduction in terms of the household and family. It explains some of the terminology that is needed to understand the key debates and then shifts to the political economy of social reproduction and the relationship between capitalism and patriarchy.
**Households, Families, and Social Reproduction - Oxford ...**
Social reproduction under capitalism is accordingly institutionalised to assist in value creation at minimum cost, keeping wages down to maximise the surplus value. This was Marx's original explanation in Capital: Volume I of the relationship between social reproduction and value creation in capitalism (Marx 1867).

**Social Reproduction, Constitutional Provisions and Capital ...**
This reflects Polanyi's observation that many forms of social reproduction rest on relations of reciprocity and redistribution – hence, economic activities were embedded in a wider network of social relations. See The Great Transformation: the Political and Economic Origins of Our Time (Beacon Press, 1944). Another current aspect relates to the situation of many developing economies where the state has never been a strong force in social reproduction (that is, risk was not collectivised).

**Social Reproduction and the Constitution of a Gendered ...**
Placing social reproduction at the center of our analysis forces us to overcome these false dichotomies and confront finance’s role in the shaping of the “social”. Social Reproduction Theory (SRT) grows out of the anti-capitalist feminist tradition, especially the work of Federici, Dalla Costa, Fortunati and Picchio.
